INSTRUCTIONS:

Please complete this form and include it with equipment being returned. Equipment should be shipped in its original shipping/storage case and securely taped (but not locked) for protection. Include the fill assembly and probe. Remove batteries and empty fuel from fuel cylinder (but include the empty fuel cylinder) before shipping. Shipping and handling costs will be added in addition to a minimum labor charge. Our goal for repair turnaround is 10 business days. This excludes time waiting on customer approval/payment and shipping time.
